

New York Quarterly Meeting
Religious Society of Friends
Relief Committee Application

The Relief Committee of the NYQM has funds to help members and attenders through financial difficulties. We can issue both loans and grants, but cannot distribute funds for business purposes, speculation, or education.

Need relief? Send a brief a letter or e-mail requesting assistance or complete this application. If this is not possible, a member of the applicant's Pastoral Care or other committee taking care of pastoral functions may submit on behalf of a member or attender. Please tell us the following:

Name _____

E-mail _____ (if available)

Phone number _____ in case someone on the Relief Committee has a question.

Mailing Address _____

(If you don't have a reliable address we will be in touch with how to get the funds to you.)

What contact method do you prefer (phone / text / email / postal mail)

How can we help? (Describe your needs and how the relief committee can help.)

How much money do you need?

Would you like a **grant** or a **loan**? (Grants are outright gifts while there is an expectation that a loan would be repaid. It is possible to ask for a loan and later request for it to be converted to a grant.)

Your meeting: (15th Street / Brooklyn / Flushing / Manhattan / Morningside / Staten Island)

Are you working with a pastoral care committee?

- Yes
- No
- Not yet, but tell me more.

If we need further information a member of the Relief Committee will contact you. Please send your completed application or letter to relief@nycquakers.org You may also send/e-mail the letter to any member of the Relief Committee.
